SUBJECT: SSH BENEFICIARY INFORMATION FOR 2008/2009

REF: DAVIDSON/DEVLIN E-MAIL DTD 10/28/09

Summary

Lesotho awarded \$40 000 in Special Self Help (SSH) funds to six community groups in the year October 1, 2008 to September 30, 2009 benefitting 607 males and 905 females.

Beneficiary details

1. Molibetsane Primary School used funds to purchase building materials to construct three classrooms in the Leribe district. There were 112 male and 138 female beneficiaries for this \$9,000 grant.

2. Soai Primary School, located in a remote and isolated rural area of Lesotho serving 400 students previously used stones as seats in their classrooms. Thanks to a grant worth \$6,500 they now have 100 student desks and seven chairs for teachers. This grant benefited 168 males and 239 females.

3. Mofumahali oa Maloti R.C Mission built toilet facilities for three schools in the remote area of Ketane in the Mohale's Hoek District. This \$7,000 grant improved sanitation for 95 males and 112 females.

4. Sefaha Primary School previously conducted classes in a tent that was later demolished by inclement weather. This \$6,500 grant was used to purchase building materials for construction of two classrooms. 118 males and 186 females benefitted.

5. Tsoloane Primary School previously conducted classes in a dilapidated old house in the rural and remote area of the Qacha's Nek district. Thanks to a grant for \$6,500 110 males and 192 females now have two new classrooms.

6. Manyeloi a Manyane Day Care Center was awarded a grant for \$4,500. This was used to pay for removal costs of an old pump, testing of water quality installation of a new submersible pump and accessories, installation of a steel stand and supply of a water tank so that four males and 38 females can have clean water.
